

Year 12 Summer work

Due: First lesson back in September

- To watch Rooster, and create fact file about the piece.
- To revise the history of Rambert Dance Company 1966-2002 ready for a test when we return.
- To watch Sutra and create a fact file about the piece.
- To have decided who your practitioner will be for the solo performance piece, it is fine to focus on the same practitioner that you focused on in Year 12.

Your fact file must include the following information:

The stimulus

The themes of the piece

Why the piece was made

How it fits into the context of the choreographer's career, and the area of study, for example Rooster is part of the Rambert Area of Study and Sutra is part of Independent Contemporary Dance's area of study.

Sources- so what ideas did the choreographer use to put the piece together and what aspects of their choreographic and movement style inspired this.

Links to choreographers movement style.

Features- aural setting, physical setting, dancers, choreographic devices and movement content.
